October Meeting Highlights

As of the SPTO's 10/16 meeting, Center and Hale families combined have contributed over **\$10,000** to the "Non-Fundraiser" Fundraiser! Thank you to all who have donated \$30 (or more) per student! If you haven't donated yet, you can find our PayPal link at centerhalepto.org. The more money we raise, the more programs we can sponsor for individual grade levels, school-wide events, and special school projects that allow teachers to share their talents and passions with the school community.

The fundraising committee is already hard at work planning the first annual Run for the Kids! This family- and community-friendly event will take place on Sunday, 5/19, so mark your calendars now and stay tuned for registration information later in the school year.
